

Gene Jakubczak
Director, Fleet Services

Fleet Services Director Gene Jakubczak is responsible for a staff of 45 people in the Fleet Services Department. The department manages the City of Spokane equipment Fleet of 1,400 units of equipment (except Fire Dept. Equipment), over 4,000 units of communications equipment, and many of the buildings and structures operated by various city departments.

He and his department are committed to providing customer departments with safe, reliable, economical and environmentally sound transportation and related support services that are responsive to their needs and that conserve vehicle value and equipment investment.

Gene has over thirty years' experience in municipal fleet operations including 16 years with the City of Spokane. Gene presently serves as Secretary of the Vehicle Maintenance Management Conference and as Secretary for the Spokane City Credit Union Board of Directors. He holds a bachelor's degree in general studies from Eastern Washington University and a master's degree in business administration from City University.
