

**Mark Serbousek**

Street Director

As the Street Director, Mark Serbousek leads the Street Department's staff of more than 120 people, who are responsible for providing day-to-day safe and efficient movement of persons and goods throughout the City and for maintaining and preserving the City's public streets, bridges, and traffic control devices.

Mark has been Street Director since July, 2007, after serving with the Street Department since 1993 as the Operations and Bridge Engineer. Prior to coming to the City, Mark worked in the private sector for 11 years with a local structural design firm. A licensed Professional Engineer with a degree in Civil Engineering from Washington State University, he serves on the State of Washington Department of Transportations' Bridge Replacement Advisory Committee (BRAC). Mark is also an active member of the American Public Works Association (APWA) and Structural Engineers Association of Washington (SEWA).
